Subject: Frayser Exchange Meeting/Mayor Jim Strickland

Last Thursday Exchange was hosted and a great lunch provided by staff, principal and students of Whitney Elementary School. Principal LaShandra Young was our guest speaker and discussed the issues that many of the students face both in and outside of those at school. Listening to Dr. Young it is clear that her love and dedication to the students their education and well being is of the utmost importance and something she has a passion for. Thanks to Whitney for allowing Exchange to be a part of your school day. Also a big thank you to David Jordan Agape, DeAndre Brown Lifeline and Teddy King ASD for manning and serving lunch.

This week the Frayser Exchange takes great honor in having as our guest speaker Mayor Jim Strickland. As many of you will remember last year Mayor Strickland made the Frayser Exchange the location for the Mayors State of the City Address and this year the Mayor will again join us to speak to the progress and changes happening in Memphis.

No doubt you will have to get here early to get a seat this Thursday at Impact Baptist Church 2025 Clifton for lunch beginning at 11:45 and meeting to begin promptly at 12:05pm for Frayser Exchange and Mayor Jim Strickland.

So hope you can join us Thursday to talk with Mayor and staff, say hello to old and new friends and as always don't forget to bring a friend, neighbor and someone new to Exchange.

Thanks
